FRANK B. JOHNSON, *Treasurer.*

REPORT OF SCHOOL BOARD.

In reviewing the school work for the year we are glad to be able to say that the schools and their work, with few exceptions, have been gratifying. We have been fortunate in procuring several experienced teachers.

We feel sure that good work is being done in our schools and the children who have attended regularly must have advanced in their work. We often find that the inexperienced teacher works fully as hard for the advancement of her or his school as the one of experience and with the help and sympathy of the parents this school may also be successful.

With an increase of pupils at New Canada we decided to have a school there this year rather than convey them to Elmwood.

By the Statistical Table you will see that both of these schools, the Center, North Road and Upper Turnpike, each had 24 3-5 weeks, the Eastern 24 weeks, and South Danbury 12 weeks of school. In the fall there were only two children of school age in the South Danbury Division when our schools commenced. One of these soon left town and the other was sent to Andover by his father, Mr. Wolcott, who paid all of the expense, and also the tuition of his daughter at Proctor Academy.

We wish to thank all who have helped in any way to make our schools successful.

We hope that the united efforts of the School Board, parents, teachers and scholars in the coming years will place the schools of Danbury in the highest rank.

Estimate for the ensuing year:

High school tuitions,	\$350 00
Books and supplies,	60 00

Respectfully submitted,

MARY W. FRAZIER,
EDWIN B. FORD,
NELLIE F. EDSON,
